

2023 STATIONERY FOR YEARS 11, 12 and 13

<p>The items below should be purchased at the start of the year. Mount Aspiring College does not operate a stationery shop so students will need to purchase their stationery from a commercial outlet.</p> <p>We work closely with Wanaka Paper Plus to ensure that the items required are available throughout the year. At the start of the school year you may prefer the convenience of using Paper Plus's online ordering option to select your stationery which can then be collected from the store, or delivered directly to your home. The link for this is: https://www.paperplus.co.nz/back-to-school</p> <p>All you need to do is to enter the school and the year level and the relevant items will be displayed (NB this option will not be available to use until January 2023).</p> <p>Additional optional resources which are outlined in the curriculum handbook may be provided in class by individual college departments and these will be invoiced directly to you. The link to the curriculum handbook is: http://wiki.mtaspiring.school.nz/</p> <p>Digital Devices (BYOD)</p> <p>It is now compulsory for students in all year levels to have their own digital device. There are a wide variety of compatible devices available on the market which should suit every requirement and price.</p> <p>Some students may need to choose higher specification machines depending on their subjects (eg Art, Music or Technology).</p> <p>Please refer to the following link for more detailed information: https://mountaspiringcollege.nz/mac-byod.html</p>	<p>At all times students in Year 11, 12 and 13 need:</p> <ul style="list-style-type: none"> 1 HB Pencil 1 30cm Ruler (non bendy) 1 Soft Eraser 1 Red and 1 Blue Biro 1 Small Set Coloured Pencils 1 Glue Stick 1 Highlighter Pen 1 A4 Ring Binder Folder 1 A4 Refill 1 Clear File (40 pages) for handouts for ALL subjects not already detailed 1 Set of Earbuds or Headphones for all BYOD work (with an in-line microphone for dictation if necessary). <p>Te Kura</p> <p><i>Students studying a language subject via Te Kura should have their own recording device.</i></p> <p>Backups</p> <p><i>A hard drive / memory stick for backups is optional as Google Drive is also available. Whatever option, students need to take responsibility for making their own backups.</i></p>
