Governance Manual

The purpose of this document is to provide the framework for the roles and responsibilities of the School Board, and to help give clarity to and reinforce the governance-management interface.

The Board's governance role is focused on the ongoing improvement of students progress and achievement, that the kura is a safe and inclusive environment for students and staff, and that the Board gives effect to Te Tiriti o Waitangi.

The governance policies sit alongside the policies available on the Mount Aspiring College SchoolDocs website.

The School Board has adopted the Trustees Code of Conduct, which outlines the standards expected of our School Board members, and their role in supporting the kura.

To our School Board members, we are grateful for your commitment to your role and support of our kura.

The governance manual will be reviewed every three years, or as the need arises.

Governance Framework

Introduction, with key legislative requirements, to board governance framework

The board of Mount Aspiring College is focused on the ongoing improvement of student progress and achievement within an environment that provides inclusive education. Refer to the *New Zealand Curriculum*, *Te Tiriti o Waitangi*, *New Zealand Bill of Rights Act 1990*, *Human Rights Act 1993*, *New Zealand Disability Strategy* and *United Nations Convention on the Rights of Persons with Disabilities*.

To ensure effective school performance, the board is committed to maintaining a strong and effective governance framework that incorporates legislative requirements and good practice.

Governance and management

The following are the board's agreed governance and management definitions, which form the basis of its working relationships, policy and processes.

Governance	Management
<p>The ongoing improvement of student progress and achievement; that the school is an inclusive and safe place for all students and staff; that the school gives effect to Te Tiriti o Waitangi are the board's primary objectives.</p> <p>The board acts in a stewardship role and is entrusted to work on behalf of all stakeholders. It is accountable for the school's performance, emphasises strategic leadership, sets the vision for the school and ensures compliance with legal and policy requirements.</p> <p>Board policies are at a governance level and outline clear delegations to the principal. The board and principal form the leadership, with the role of each documented and understood. The principal reports to the board as a whole with committees used sparingly and only when a need is identified in order to contribute to board work.</p> <p>The board is proactive rather than reactive in its operations and decision making and does not involve itself in the administrative details of the day-to-day running of the school.</p>	<p>The board delegates all authority and accountability for the day-to-day operational organisation of the school to the principal who must ensure compliance with both the board's policy framework and the law of New Zealand (for detail, see operational policies).</p>

B7 Reporting to the board policy

Outcome statement

The Principal reports to the Board as a whole and keeps it informed of the true and accurate position of the outcomes of curriculum; teaching and learning; financial position; and all matters having real or potential legal considerations and risk for our school.

Scope

Thus the Board is supported in its strategic decision-making and risk management by also requiring the Principal to submit any monitoring data required in a timely, accurate and understandable fashion.

Expectations and limitations

The Principal must ensure that they:

- Inform the Board of significant trends, implications of Board decisions, issues arising from policy matters or changes in the basic assumptions upon which the Board's strategic aims are based.
- The Principal will prepare (or, where appropriate, delegate, coordinate and approve) a written report for every Board meeting that is timely, accurate and presents information in an understandable form that is not too complex or lengthy covering the following management areas for each Board meeting:
 - o Tracks progress and variance towards strategic aims and key performance indicators
 - o Personnel Report
 - o Finance Report
 - o Variance Report
 - o Includes data and analysis and/or evaluative inquiry on curriculum delivery, student progress, achievement and wellbeing
 - o Health and safety
- Inform the Board in a timely manner of any significant changes in staffing, programmes, plans or processes that are under consideration
- Submit any monitoring data required in a timely, accurate and understandable fashion
- Report and explain financial variance against budget in line with the Board's expectations
- Report on the number of stand-downs, suspensions, exclusions and expulsions on a per meeting basis
- Report and explain roll variance against year levels and reasons on a per meeting basis
- Present information in a suitable form – not too complex or lengthy
- Inform the Board when, for any reason, there is non-compliance of a Board policy
- Recommend changes in Board policies when the need for them becomes known
- Highlight areas of possible bad publicity or community dissatisfaction
- Coordinate management/staff reports to the Board and present to the Board under the Principal's authority

- Regularly report on the implementation of the annual plan and progress towards meeting student achievement targets
- Report on any matter requested by the Board and within the specified timeframe

B8 Staff representative role description policy

B9 Student representative role description policy

Outcome statement

The staff/student representative brings a staff/student perspective to Board discussion and decision making.

Scope

As a member of the School Board, the staff/student representative is elected by their peers to serve the interests of the school at governance level. They have equal voice, vote, standing and accountability to any other Board member.

Expectations and limitations

Staff/Student representative accountability measures		Standard
1.	To work within the Board's charter/strategic plan.	1.1 The charter/strategic plan is obviously considered in Board decisions.
2.	To abide by the Board's governance and operational policies.	2.1 The staff/student board member has a copy of the governance manual and is familiar with all Board policies.
3.	The staff/student board member is first and foremost a board member and must act in the best interests of the students at the school at all times.	3.1 The staff/student board member is not a staff/student advocate.
		3.2 The staff/student board member does not bring staff/student concerns to the Board.
4.	The staff/student board member is bound by the board member code of conduct.	4.1 The staff/student board member acts within the code of conduct.
5.	It is not necessary for the staff/student board member to prepare a verbal or written report for the Board unless specifically requested to by the Board.	5.1 No regular reports are received unless a request has been made by the Board on a specific topic.

B10 Relationship between presiding member (chair) and principal policy

Outcome statement

The relationship between the presiding member and the Principal is based on trust, integrity and mutual respect.

Scope

- A positive, productive working relationship between the Principal and the presiding member is both central and vital to the school.
- The presiding member and Principal should act as sounding Boards, both supporting and challenging, in order to hold the school to account for achieving the goals and targets that have been set.
- The presiding member has no authority except that granted by the Board. The presiding member does not act independently of the Board.

Expectations and limitations

- The presiding member and Principal must work as a team, and there should be no surprises.
- The relationship must be professional.
- Each must be able to counsel the other on performance concerns.
- The presiding member supports the Principal and vice versa as appropriate.
- Each agrees not to undermine the other's authority.
- There is agreement to be honest with each other.
- Each agrees and accepts the need to follow policy and procedures.
- Neither party will deliberately hold back important information.
- Neither party will knowingly misinform the other.

B11 Relationship between the board and the principal policy

Outcome statement

The performance of the school depends significantly on the effectiveness of this relationship and as such a positive, productive working relationship must be developed and maintained.

Scope

- A positive, productive working relationship between the Board and the presiding member is both central and vital to the school.
- Day to day relationships between the Board and the Principal are delegated to the presiding member.
- The presiding member will ensure an annual performance review is carried out
- Only decisions made by the Board acting as a Board are binding on the Principal unless specific delegations to the presiding member, individual Board members, committee presiding members or committees of the Board are in place. Decisions or instructions by individual Board members, committee presiding members, or committees are not binding on the Principal except in rare circumstances when the Board has specifically authorised it.

Expectations and limitations

- This relationship is based on mutual respect, trust, integrity and ability.
- The relationship must be professional.
- The Principal reports to the Board as a whole rather than to individual board members.
- Day to day relationships between the Board and the Principal are delegated to the presiding member.
- All reports presented to the Board by the staff (unless specifically requested by the Board) arrive there with the Principal's approval and the Principal is accountable for the contents.
- There are clear delegations and accountabilities by the Board to the Principal through policy.
- The two must work as a team and there should be no surprises.
- Neither party will deliberately hold back important information.
- Neither party will knowingly misinform the other.
- The Board must maintain a healthy independence from the Principal in order to fulfil its role. The Board is there to critique and challenge the information that comes to it, acting in the best interests of students at the school.
- The Principal should be able to share their concerns with the Board.

B12 Principal performance management policy

Outcome statement

A fair and transparent performance management process recognises the professionalism of the Principal and the accountabilities of the Board.

Scope

- An annual performance agreement will be established between the Board and Principal and be in place at the beginning of each school year.
- The Principal's performance against this agreement will be reviewed throughout the year, and a final report will be prepared and presented to the Board at the end of the school year.
- The prime focus of the agreement will be that; every student at the school is able to attain their highest possible standard in educational achievement; the school is an inclusive and safe place for all students and staff; the school gives effect to relevant students' rights and gives effect to Te Tiriti o Waitangi.
- A budget for professional expenses and for professional development will be established annually in accordance with the Principal's professional development plan contained in their performance agreement and be included in the budget. Spending within budget is with the approval of the Board. Any overseas trips for professional development must be approved by the Board at least one term in advance of the event.
- Professional development expenses may include but are not confined to continuing education, books and periodicals, mentoring and attendance at professional conferences.

Delegations

The presiding member of the Board (or personnel committee of the Board) will ensure an annual performance review is carried out in accordance with this policy.

Expectations and limitations

- The review process will occur annually, providing a written record of how the Principal has performed as per the terms of the performance agreement and identifying professional development needs.
- The Principal's performance will be formally reviewed on an annual basis by duly delegated members of the Board and, optionally at the Board's choice, an independent consultant who specialises in education.
- Those delegated or contracted to perform the review process shall have written formalised instructions specifying the responsibilities of the role.
- The Principal will be reviewed on the criteria set out in the performance agreement – performance objectives, professional standards, learning and development objectives and fulfillment of additional duties that require concurrence payment.
- If the Principal and the Board disagree on the performance objectives, the Board, after

considering the Principal's input, will amend the disputed objectives or confirm the unchanged objectives. The Board's decision will be final.

- The presiding member, delegate(s) and consultant may gather information from staff, parents or any other relevant members of the larger school community who can provide feedback on how the Principal has performed. Evidence may include surveys, self-review, teaching observation (if relevant), interviews, focus groups or documentary evidence.
- The Principal and delegate(s) will meet for a formal interview to discuss whether the performance agreement has been satisfied, with the Principal given the opportunity to discuss and comment on each criterion before a rating is given. The results will then be drafted into a report by the delegate(s) and sent to the Principal. The Principal can accept the report or dispute the report. If the report is disputed, the delegate(s) will consider the Principal's views before deciding to either amend the report in accordance with the Principal's views or let the report stand with the Principal's comments attached.
- The presiding member/delegate(s)/consultant will present the final report/summary back to the Board with the result of the review. The Principal may/may not be present at the presentation and/but will have the opportunity to address the Board. The Principal will then exit, and further discussion may continue among the Board.
- The Principal will be informed personally and in writing of the final outcome following the report discussion.
- The performance agreement and results of the review are confidential to the Principal, the Board and their agents unless both parties agree to wider distribution.

C1 Meeting protocols

The Mount Aspiring College School board is committed to effective and efficient meetings and, to this end, sets out the following guidelines for the conduct of board meetings.

Timing of meetings

- Dates and times of meetings will be set in the board work plan, with two meetings to be held each school term, *starting at 6.00pm and finishing no later than 8.30pm*.
- A resolution for an extension of time may be moved but will not normally exceed 30 minutes.
- Any business remaining on the agenda at the conclusion of the meeting is transferred to the following meeting

Agenda and meeting papers

- The presiding member is responsible, in liaison with the principal, for the preparation of an agenda prior to each meeting
- The principal is to ensure that secretarial services are provided to the board
- Agenda items are to be notified to the presiding member 5 days prior to the meeting
- The agenda and board papers will be circulated to board members at least 5 days prior to the meeting
- The board should have access to all correspondence. Correspondence that requires the board to take some action should be photocopied/scanned and distributed prior to the meeting. Other correspondence can be listed and tabled so that board members can read it if required
- The agenda for the part of each meeting that is open to the public will be posted on the board's section of the school website at least 48 hours prior to the meeting and copies made available at the meeting place for any members of the public
- The agenda is to be collated with the items placed in order and marked with an agenda item number
- Agenda items will reference relevant strategic goals and board policies
- Late agenda items will only be accepted with the approval of the board and in rare circumstances where a decision is urgent
- All items in the agenda are to carry a recommended course of action and where appropriate be supplemented by supporting material in the meeting documentation
- Papers requiring reading and consideration will not normally be accepted if tabled at the meeting
- The order of the agenda may be varied by resolution at the meeting

Public participation

- The board meeting is a meeting open to the public rather than a public meeting
- Only members of the board have automatic speaking rights
- Public participation is at the discretion of the board
- Public attending the meeting, including staff members not elected as the staff representative, are given a notice about their rights regarding attendance at the meeting – see C1.1 Public attending board meetings

Exclusion of the public

- The meeting may, by resolution, exclude the public (going into committee) and news media from the whole or part of the proceedings in accordance with the Local Government Official Information and Meetings Act 1987 (LGOIMA).^{*} The wording to be used in the motion to exclude the public is found in [Schedule 2A of LGOIMA](#). The board must make the reasons for excluding the public clear. Excluding the public is most often used to ensure privacy of individuals or financially sensitive issues
- Persons may be asked to remain after the public has been excluded because they possess knowledge that will be of assistance in relation to the matter to be discussed. The board must pass a resolution that they may remain^{*}

Conduct of meetings

- A quorum of more than half the members currently holding office is required for the board to be able to conduct any business^{*}
- Meetings can be held via audio, audio and visual or electronic communication providing:
 - all board members who wish to participate in the meeting have access to the technology needed to participate, and
 - a quorum of members can simultaneously communicate with each other throughout the meeting^{*}
- Board members will declare any conflict of interest at the beginning of the meeting
- Any board members with a conflict of interest or pecuniary interest in any issue shall not take part in any debate, deliberation or decision making on such issues. They must be excluded from the meeting for the duration of the debate, deliberation or decision making.^{*} A pecuniary interest arises when a board member may be financially advantaged or disadvantaged as a result of decisions made by the board (contracts, pay and conditions). A conflict of interest is when an individual board member could have or could be thought to have a personal stake in matters to be considered by the board
- The presiding member shall be appointed by election at the first meeting of the year except in the triennial election year where it will be at the first meeting of the newly elected board^{*}
- The elected presiding member (or, in their absence, a non-school-based board member) presides at meetings
- Only apologies received from those who cannot be present must be recorded. Members of the board who miss three consecutive meetings without the prior leave of the board cease to be members.^{*} An apology does not meet the requirement of prior leave. To obtain prior leave, a board member must request leave from the board at a board meeting, and the board must make a decision whether or not to grant it
- Points of order are questions directed to the presiding member that require an answer or a ruling. They are not open to debate and usually relate to the rules for the running of a meeting
- The board's normal meeting procedures may be suspended by resolution of the meeting

Decision-making process

- All board decisions are made in light of board policy and the board's primary objectives of ensuring that every student at the school is able to attain their highest possible standard in educational

achievement; the school is an inclusive and safe place for all students and staff; the school gives effect to relevant students' rights and gives effect to Te Tiriti o Waitangi

- All decisions are to be taken by open voting by all board members present
- In the event of tied voting on a resolution, the presiding member may exercise a casting vote in addition to their deliberative vote*
- A motion is a formal proposal for consideration. All motions and amendments moved in debate must be seconded unless moved by the presiding member and are then open for discussion
- Motions and amendments once proposed and accepted may not be withdrawn without the consent of the meeting
- No further amendments may be accepted until the first one is disposed of
- The mover of a motion has right of reply
- A matter already discussed may not be reintroduced at the same meeting in any guise or by way of an amendment
- When a matter cannot be resolved or when further information is necessary before a decision can be made, the matter can be left unresolved for future discussion

Minutes

- Board meeting minutes will be taken by a contracted, paid minute secretary who is not a member of the board
- The minutes are to clearly show resolutions and action points and who is to complete the action
- Minutes are sent to the presiding member for checking within five working days and distributed electronically to the board within seven working days. Requests for corrections or amendments should be submitted by email to the presiding member as soon as possible to ensure accurate minutes can be confirmed at the next meeting
- Minutes to be tabled for approval should be included in documentation made available to all board members prior to the meeting
- Once minutes are approved as true and correct, recordings of that meeting are to be deleted

Calling special meetings

- If the Board has adopted procedures regarding special (extraordinary) meetings, then those would apply
- In the absence of board procedures, a special meeting may be called by the presiding member. Otherwise, one third of board members currently holding office agreeing to call a special meeting would be good practice

* Legislative requirement

C1.1 Public attending board meetings

The board fosters open and transparent governance. It welcomes public attendance at and observation of board meetings. Members of the public include staff, students and parents' families and whānau of the school community who are not members of the board.

A copy of the following procedures will be provided to members of the public attending meetings so that they understand the rules that apply and are to be followed unless otherwise authorised by the board:

- Board meetings are not public meetings but meetings held in public
- If the meeting moves to exclude the public (usually to protect the privacy of individuals), members of the public will be asked to leave the meeting until this aspect of business has been concluded
- Members of the public may be given copies of the meeting agenda and associated reports
- Members of the public may request speaking rights on a particular item that is on the agenda. Preferably, this request will have been made in advance. Public participation is at the discretion of the board
- Speakers shall be restricted to a maximum of 3 minutes each per subject, with a time limit of 15 minutes per interest group
- No more than 2 speakers will be permitted on any one agenda item
- Speakers are not to question the board and must speak to the agenda item
- Board members will not address questions or statements to speakers
- Speakers shall not be disrespectful or offensive or make malicious statements or claims
- If the person presiding over the meeting believes that any of these conditions have been breached or the speaker has gone over time, they may be asked to finish

This procedure approved by the board

Delegations must be made by resolution of the board and should be notified to the delegate(s) in writing, along with terms of reference.

- Must act through the board and can only recommend courses of action unless they hold delegated authority to act on the board's behalf
- Are to have terms of reference drawn up as required, usually containing information as to their:
 - purpose
 - membership
 - delegated authority

The board will maintain a record of current delegations.

The board of Mount Aspiring College currently has the following standing committees

C4 Concerns and complaints process

Advice for students, staff, parents, whanāu and community

[Concerns and complaints procedure flowchart](#)

[Concerns and complaints process](#)

[Concerns and complaints form](#)

C4.1 Board complaints checklist

Once a letter of complaint has been received, the board's presiding member (chair) should ensure the following process is followed:

	Notes/date completed
1. Presiding member ensures the process has been followed as outlined in the concerns and complaints procedure or is a genuine complaint against the principal or board.	
2. Presiding member verifies with the principal that any staff (or others) identified in the complaint are aware of the situation and that there has been discussion and attempts to reconcile.	
3. If the complaint or action is employment related or has potential industrial relations implications, presiding member contacts NZSTA employment advisory and support centre. For all other complaints, contact NZSTA governance advisory and support centre.	eradvice@nzsta.org.nz govadvice@nzsta.org.nz
4. Presiding member alerts the school's insurance broker.	
5. Presiding member acknowledges the letter of complaint within 7 days and advises the board process, or redirects the complainant to principal, syndicate leader or staff member as appropriate. Presiding member reports to the board without names or detail at the next meeting.	
6. Once confirmed as a legitimate complaint to the board, presiding member forwards it confidentially to all board members for consideration. Any member who has a conflict of interest should declare and take no further part in the process around this matter.	
7. Board requests principal to present full written report to the board outlining all actions taken, advice received, meetings held and justified decisions made.	
8. Board determines if the principal's report fully satisfies it of full and fair process. If so, the board supports the principal and advises the complainant.	
9. If not satisfied, the board meets and discusses in public excluded business, determines whether or not to formally meet the complainant and delegates responsibility to members of the board as deemed appropriate.	
10. Board delegates meet with the complainant and discuss the complaint more fully - clarifying, investigating and verifying. Support persons should be confirmed as welcome to attend this meeting.	
11. Board delegates report back to full board and recommend actions/decisions.	
12. Board considers recommendations, records and formally minutes decisions.	
13. Board advises complainant in writing of its provisional decisions and factors	

considered in reaching them, within 21 days of complaint receipt, unless otherwise agreed by all parties. Complainant is given opportunity to comment before the board's final decision is reached and given.	
14. Board advises complainant of their right to apply for dispute resolution if they are dissatisfied with the outcome.	
15. Board aims to convene follow-up meeting within 1 month of step 9.	

C5 Internal evaluation process

A planned process for internal review enables continuous improvement in the governance and performance of the school.

The board's triennial review schedule is based on annually updated work plans.

A copy of the current work plan will be considered at each board meeting to ensure the evaluation cycle is on track.

Performance for each area itemised on the review schedule will be evaluated against evidence that includes but is not limited to:

- The annual report including the Analysis/Statement of Variance (AoV/SoV) and audited financial statements
- Student achievement data
- Staff and student wellbeing surveys
- Education Review Office (ERO) reports
- Board internal governance evaluation and performance review
- Feedback from parents, caregivers and staff

- Ensure that the process for complaints or grievances is clearly communicated and posted on the school website (if applicable)
- Ensure that the complainant has previously followed the school's concerns and complaints procedure before escalating to board level

Should the board receive a complaint regarding the Principal or determine that any policy violation may have occurred, the board in the first instance will consider whether this may be dealt with in an informal manner (as per the employment agreement provisions that apply to the Principal).

Where the board considers the degree and seriousness of the concern or any violation sufficient to warrant initiating a disciplinary or competency process, the board shall seek the support and advice in the first instance from an NZSTA adviser to ensure due process is followed.

The board shall advise its insurance agent of any complaint escalated to the board.

Once the dispute Resolution Scheme comes into effect, in the event that a serious dispute is not able to be resolved, the board shall advise the parent of their right to apply to the Chief Referee for the dispute to be resolved by a dispute resolution panel.
